TREASURER'S STUFF...TREASURER'S STUFF...

With this newsletter you will find a renewal letter and a statement for your account for 1995. Please make any modifications to the renewal letter as required, and then send it back with the appropriate amount of money (if your account does not have enough in it to cover the cost). No renewals will be made (for club, Sports Association and GFA) without the return of this form, and the money up front. **Return all forms and payment by 15/2/96.** Also, please check the account statement, and notify me (Mary Willmott) of any errors.

THE NATIONALS...THE NATIONALS...THE NATIONALS

The weeks between 13th Jan and 28th Jan saw the Australian Sports and Two Seater Nationals held at the Renmark Gliding Club. Adelaide University Gliding Club posted a strong contingent to this event, which is great in it's own right. In the sports class, Adelaide Uni had four pilots in the top 43 entries. Out of a possible 1000 points, the final placings were:

Internet Watch

For those who are keen on the electronic world, a number of Gliding resources can be found on the Internet, generously maintained by Simon Hackett's Internode Systems Pty. Ltd. A brief list is included here:

- the "aus-soaring@internode.com.au" mailing list. This is an international list for discussions about Australian soaring in general (circa 90 or so people on it thus far). Send email to "aus-soaring-request@internode.com.au" to join the list.
- The "augc-people@internode.com.au" list. This list is for members of AUGC with email addresses who would like to receive announcements and weekend gliding reports etc. Send email to "augc-people-request@internode.com.au" to join up.

Position	AUGC Pilot Name	Aircraft Flown	Points
19	Peter Temple	Libelle	812.8
31	Andrew Huggins	Boomerang	707.7
37	Catherine Conway	Boomerang	612.2
43	Martyn Roberts	Pik20B	431.1

The two seater class was also well represented, with Adelaide Uni entering a team of experienced pilots flying with the uninitiated. Redmond Quinn, Stephen Were, Gavin Rowell and Greg Newbold were amongst others that all had good flights over 250 km in the Bergfalke, putting to rest the notion that this could not be done. As if this wasn't enough, Simon Hackett in his Motorfalke joined in the fun, and even beat the Two Seater Adelaide Uni team! Congratulations to all those who entered.
